Hi Pete

Here that is – just recall that other than Dana, the assignments are still being considered by the ADs.

Good morning everyone,

I am attaching updated talking points with a paragraph from NOAA about the Scripps work and survey. There are a few other lesser changes that resulted from our discussions with NOAA.

Thanks to all at NOAA for their thoughtful engagement on this.

Thanks

John

Subject: Revised Draft Talking Points

Good Evening Everyone,

We have attempted to revise the draft talking points to reflect yesterday's discussion and have attached those here.

Thank you all for the productive discussion yesterday. We will be reaching out soon to look at schedules and availability for a follow up meeting.

In the meantime, please reach out as you have additional thoughts or information to share.

Thanks,
John
